ADD ON COURSES IN MEDIA

Learn, create, and innovate with real-world training designed to build successful careers in the media industry.

INTRODUCTION

Hansraj College, established in 1948, is one of the largest and most prestigious constituent colleges of the University of Delhi. Founded by the D.A.V. College Managing Committee in memory of Maharshi Dayanand Saraswati and Mahatma Hansraj, the college stands as a symbol of academic excellence and value-based education. With a legacy of over seven decades, Hansraj College has nurtured thousands of students in Science, Commerce, and Arts, producing distinguished scholars, leaders, and professionals across fields. Equipped with modern infrastructure, advanced laboratories, and exceptional sports facilities, the college continues to inspire holistic growth and innovation.

NRAI School of Mass Communication, founded in 2001, is a pioneer in media education, known for its experienced faculty, hands-on training, and strong industry linkages. Offering specialized programmes in Journalism, Digital Media, TV & Radio Production, and Filmmaking, NRAI has consistently prepared students for successful careers in the fast-evolving media landscape. In collaboration, Hansraj College and NRAI School of Mass Communication proudly present a Joint Certification Programme in Media and Communication, offering students a unique platform to blend academic learning with industry experience. Through expert-led sessions, workshops, and internships, this partnership aims to empower students with the skills, creativity, and confidence needed to excel in the dynamic world of media and communication.

KEY HIGHLIGHTS OF THE JOINT CERTIFICATION PROGRAMME

1

PRESTIGIOUS ALLIANCE: A distinguished collaboration between Hansraj College, University of Delhi, one of India's most reputed institutions known for academic excellence and holistic education, and NRAI School of Mass Communication, a pioneer in media and creative studies.

2

INNOVATIVE COURSE DESIGN : A thoughtfully crafted curriculum that blends academic depth with practical media exposure, covering areas such as Journalism, Digital Content Creation, TV Anchoring, Advertising, Public Relations, and Film Production.

3

ACADEMIC EXCELLENCE MEETS INDUSTRY EXPERTISE : Students will learn under the mentorship of renowned academicians, seasoned journalists, filmmakers, and communication professionals, ensuring a perfect balance of theory and hands-on training.

WELCOME MESSAGE FROM

THE PRINCIPAL - HANSRAJ COLLEGE

PROF. (DR.) RAMA
Principal, Hansraj College

It gives me immense pleasure to announce our collaboration with NRAI School of Mass Communication to launch Joint Certification Courses in Media and Communication. This initiative marks a significant step in our continuous pursuit of academic excellence and holistic education.

At Hansraj College, we believe in blending traditional values with contemporary education, nurturing young minds to think critically, communicate effectively, and contribute meaningfully to society. The field of media and communication today plays a pivotal role in shaping public discourse and influencing change — and it is imperative that our students are equipped with the right knowledge, skills, and exposure to meet the evolving demands of this dynamic industry.

Through this collaboration, our students will gain access to industry-driven learning experiences, practical exposure, expert-led workshops, and internship opportunities — bridging the gap between classroom learning and real-world application. Together with NRAI School of Mass Communication, we aim to create a vibrant ecosystem where creativity, expression, and innovation thrive.

I extend my best wishes to all students and faculty members who will be part of this exciting journey. May this partnership open new avenues of learning and empower our students to become confident communicators and responsible media professionals of tomorrow.

WELCOME MESSAGE FROM

THE DIRECTOR - NRAI

NALIN RANJAN SINGH
Bollywood Celebrity & Director
NRAI School - Delhi

Hello and welcome to this inspiring journey into the world of media and communication! It gives me great pleasure to announce our academic collaboration with Hansraj College, University of Delhi — an institution known for its legacy of excellence and value-based education. Together, we aim to create a transformative learning experience for aspiring media professionals.

Over the past two decades, I've had the privilege of training students across India and abroad — in cities like Delhi, Mumbai, Kolkata, and even Dubai — through more than 500 workshops on Radio Jockeying, Podcasting, Dubbing, Voice Overs, Acting, and Filmmaking. I've seen countless students evolve into confident communicators and creative storytellers, ready to make their mark in the entertainment and media world.

Through this joint certification programme, we bring that same spirit of practical learning and creative excellence to the students of Hansraj College. The course is designed to help you overcome stage fear, strengthen your voice, build on-screen presence, and master industry-relevant media skills.

I look forward to mentoring you through this exciting chapter — helping you discover your voice, your story, and your place in the ever-evolving media landscape.

COURSES OFFERED

The Joint Certification Programme offers specialized, hands-on training in media and communication, covering areas like audio production, filmmaking, and journalism. With flexible schedules, it equips students with the skills needed for successful careers in the media industry.

Duration	Admission Fees	Tuition Fees
3 Months	INR 3000/-	INR 12000/-

* Tuition fees can be paid in two installments.

Certificate course in Radio Jockeying & Podcasting

This Certificate Programme equips students with the skills needed for voice modulation, scriptwriting, and audio production. It offers practical experience in creating engaging radio shows and podcasts, preparing students for careers in broadcasting and digital media.

Course Objectives

The Radio Jockeying & Podcasting Certificate Programme is designed to immerse students in the art of audio storytelling and broadcasting. Through a combination of theoretical lessons and practical application, students will master voice modulation, scriptwriting, and audio production techniques. The course emphasizes creativity and innovation, allowing students to create captivating radio shows and podcasts. With industry insights and hands-on projects, this programme prepares aspiring broadcasters and content creators to thrive in the fast-paced world of digital media and entertainment.

Certificate course in Screen Acting

The Certificate course in Screen Acting offers hands-on training under the mentorship of Bollywood actor-director Nalin Singh. Students learn acting techniques, expressions, voice modulation, body language, and character development. The program also covers public speaking, TV anchoring, podcasting, and news reading, helping learners gain confidence and clarity. Students will also receive free still and video portfolios, and a short film will be produced at the end of the session, giving them an opportunity to act (terms and conditions apply).

Duration	Admission Fees	Tuition Fees
3 Months	INR 3000/-	INR 12000/-

* Tuition fees can be paid in two installments.

Course Objectives

The Certificate course in Screen Acting aims to build strong foundational skills in performance, expression, and character portrayal. The course enhances voice modulation, diction, and body language to develop confidence and stage presence. It prepares students for careers in film, theatre, and media by fostering creativity, emotional intelligence, and communication skills through practical exercises, interactive sessions, and direct mentorship from industry professionals.

Duration	Admission Fees	Tuition Fees
11 Months	INR 5000/-	INR 28000/- per semester (6 Months)

* This course consists of two semesters. The tuition fees can be paid in two equal instalments.

Diploma in Mass Communication

The Diploma in Mass Communication is a vocational training course designed to equip students with fundamental skills in journalism, reporting, editing, and content creation for various media. The programme also covers advertising and public relations, preparing students for careers with top news agencies and media organizations.

Course Objectives

The objective of the Diploma in Mass Communication is to develop competent media professionals equipped with practical knowledge and creative skills in journalism, reporting, editing, and multimedia content production. The course aims to nurture critical thinking, ethical values, and effective communication abilities while familiarizing students with the dynamic landscape of media, advertising, and public relations. Graduates will be prepared to pursue successful careers across print, electronic, and digital media industries.

Digital Film Making

The Digital Filmmaking Course teaches you the essential techniques for creating YouTube channels, short films, and web series for OTT platforms. With NRAI's industry connections, you'll gain the skills to produce documentaries, music videos, and short films, with the potential to have your work featured on TV channels and digital platforms.

Duration	Admission Fees	Tuition Fees
11 Months	INR 5000/-	INR 28000/- per semester (6 Months)

* This course consists of two semesters. The tuition fees can be paid in two equal instalments.

Course Objectives

The Digital Filmmaking Course aims to equip students with comprehensive knowledge and practical skills in film production, direction, cinematography, and editing. The program focuses on developing creative storytelling abilities and technical proficiency for producing short films, documentaries, music videos, and digital content. Students learn to conceptualize, shoot, and edit professional-quality projects suitable for YouTube, OTT platforms, and television networks, preparing them for

Upon successful completion, students will be awarded a joint certificate/diploma from Hansraj College & NRAI School of Mass Communication, enhancing their credentials and career prospects in the media industry.

A Glimpse into the Journey of Our Future Media

Our students are at the heart of everything we do. They bring creativity, passion, and a drive to succeed in the dynamic world of media. With diverse backgrounds and unique talents, they are constantly exploring new ideas, pushing boundaries, and building skills that will shape their future careers.

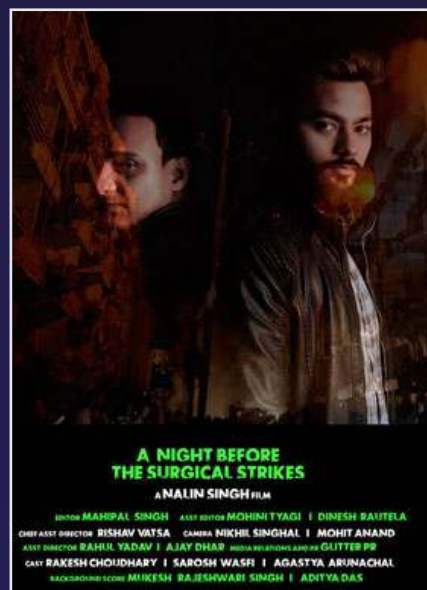

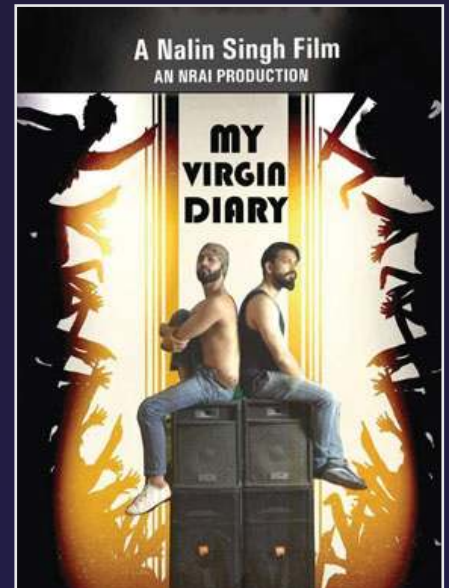

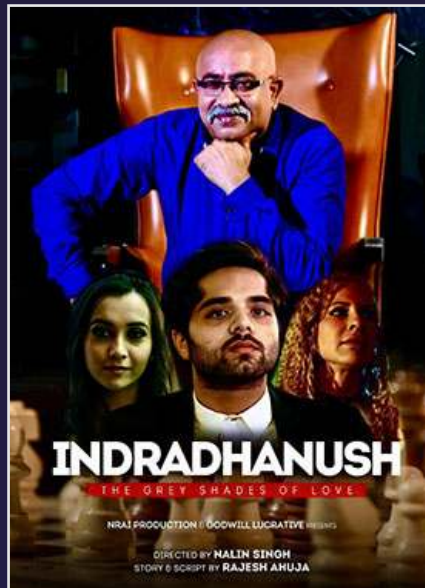

Our Potential Recruiters

Our students are trained with industry-specific skills, making them well-prepared to contribute to TV and news channels, radio FM stations, production houses, OTT platforms, and other media organizations. With hands-on experience and a creative mindset, they are ready to add value and drive innovation in the fast-paced media landscape.

Movies made by NRAI

Bollywood celebrity director Nalin Singh is also director of NRAI School of Mass Communication. He has made movies like Gandhi to Hitler, A Night Before The Surgical Strike, The Protocol, My Virgin Diary, Indradhanush and Gear Up. In these movies students have widely participated in the pre-production, shooting and post production. They have got hands on experience over film making through these projects.
